

## Suppliers of the following control products

### Sensing products

- Inductive sensors
- Capacitive sensors
- Infrared detectors
- Pressure switches
- Flow switches
- Level sensors
- Pressure transmitters
- Barcode readers
- Magnetic sensors
- Ultrasonic sensors
- Photoelectric sensors
- Laser sensors
- Shaft encoders
- Resolvers
- Mechanical limit switches
- Speed switches
- Frequency to analogue converters
- Rotation monitors

### Instrumentation products

- Totalising counters
- Presettable counters
- Rate indicators / controllers
- Strain gauge indicators
- Process indicators
- Efficiency displays
- Voltage & current displays
- PID controllers
- Flow meters (non intrusive)
- Ultrasonic level controllers
- Signal conditioning devices
- Alarm modules
- Process time indicators
- Real time clocks
- Elapsed time displays
- Process time displays
- Large displays

### Timers

- Time clocks
- Time delay relays
- Star Delta timers
- Hours run meters

### Plc products

- SLC500 & Micrologix Plc's
- Operator interface panels (HMI)
- Text displays
- Slave displays
- Thumbwheel switches
- Protocol conversion modules
- Programmable control relays

### Power products

- AC Motors
- Variable speed AC drives
- Soft start controllers
- Power (kW) monitoring units
- Drive Controllers & Accessories
- Contractors & overloads
- Pushbuttons & Lamps
- Terminal

### Safety products

- Light curtains
- Laser area monitors
- Pull switches
- Interlock switches
- Light switches
- Intrinsically safe sensors
- Safety Relays
- Self monitoring pushbuttons

### Other Products

- Test Equipment
- Enclosures & Cabinets
- Batteries

Over 30 years of distribution excellence for the world leaders in factory automation technology.

Factory trained engineers with the applications experience and product knowledge to provide fast solutions to your process control problems. The next time you need a sensor, a panel meter, a variable speed drive or other control product, call Seltec Automation (01482) 225297. Credit accounts are available for regular customers (subject to status) but we also accept credit/debit cards.
